EDUCATION

Muhlenberg College | Allentown, PA | Class of 2027 | Business Admin. & Finance | GPA: 3.28 (Business 3.44)

EXPERIENCE

SFG Annuity Advisors – Annuity Operations Intern | Brielle, NJ | June 2026 – August 2026

- Utilized AI and prompt engineering to design an automated pre-review platform for annuity application packets, using an Azure Document Intelligence workflow to classify pages, flag Not In Good Order (NIGO) conditions, and generate structured validation reports for human review.
- Implemented strict data validation rules across 10+ core document categories, including Financial Needs Analyses and Asset Transfer Forms, strengthening operational risk controls.
- Consolidated 22-carrier reference, licensing protocols, and wire-transfer instructions into a searchable internal registry to support accurate transfer and funding workflows.

Astro Intelligence Labs – Financial Analyst Intern | Houston, TX (Remote) | June 2025 – December 2025

- Analyzed monthly revenue, operating expenses, margins, and 10+ financial and operational KPIs; identified performance trends and budget variances for management decision-making.
- Built Excel budgeting, forecasting, and profitability models using historical data to develop forward-looking revenue and expense projections.
- Prepared recurring financial reports and market and competitor analysis across 15+ companies; automated recurring reporting workflows using Python and Excel.

PROFESSIONAL PROJECTS

Close Acceleration Pack | FP&A Reporting Automation (Independent Project, Synthetic Data) | Python, SQLite, Excel, React

- Analyzed 12 months of Actual/Budget/Forecast P&L data, flagging material variances ($\pm 5\%$ / \$10K), identifying top favorable and unfavorable drivers, and reconciling an Operating Income bridge to a \$0 difference.
- Designed a Day 1-5 month-end close checklist with a 12-control log and bank-reconciliation exception tracking, and delivered 3 Excel reports and an executive KPI dashboard using Python, SQLite, and Excel.

Colin Haluska Investments – Founder & Developer | March 2026 – Present | colinhaluskainvestments.com

- Built a full-stack paper-trading platform with order execution, portfolio holdings, real-time P&L, a transaction ledger, market-data APIs, and cash-validation logic mirroring core brokerage workflows.

LEADERSHIP, ACTIVITIES & ENTREPRENEURIAL

Investment Society – Member Analyst | October 2023 – Present

- Conduct fundamental equity research and financial statement analysis to evaluate investment theses for a student-managed \$1.5M fund.

Haluska Hoops – Founder & Head Trainer | Matawan, NJ | June 2026 – Present

- Founded and operate a basketball training business: \$8,000+ revenue, 18+ clients, 175,000+ organic social media views; built pricing and scheduling workflows using AI.

Muhlenberg College Intramural Basketball – Commissioner | Allentown, PA | February 2026 – Present

- Direct full-season operations for a 160+ participant, 60+ game league; secured four-figure referee funding by identifying a budget gap, building a cost proposal from historical pay rates, and presenting formal justification to administration.

Muhlenberg College Men's Basketball Program – NCAA Athlete | 2023 – 2025

- Balanced ~25 hrs/week of NCAA practice, training, and competition alongside a dual-major finance and business course load.

Alpha Tau Omega – Head of Philanthropy | Muhlenberg College | Spring 2026 – Present
