EDUCATION

Muhlenberg College | Allentown, PA | Class of 2027 | Majors: Business Administration and Finance | GPA: Business 3.444 | Finance 3.222

EXPERIENCE

SFG Annuity Advisors – Annuity Operations Intern

Brielle, NJ | June 2026 – August 2026

- Utilized AI and prompt engineering to design an automated pre-review platform for use of annuity application packets, enabling operations teams to systematically identify missing documentation, incomplete fields, and required forms prior to submission.
- Developed an Azure Document Intelligence workflow to classify annuity application pages, flag Not In Good Order (NIGO) conditions, and generate structured validation reports to support review and human verification.
- Implemented strict data validation rules across 10+ core document categories, including Financial Needs Analyses and Asset Transfer Forms, strengthening operational risk controls.
- Consolidated 22-carrier reference, licensing protocols, and carrier wire-transfer instructions into a searchable internal reference registry to support accurate transfer and funding workflows.
- Partnered directly with advisors, carrier networks, and coworkers within a high-compliance financial services environment, ensuring seamless client onboarding, and operational workflows

Astro Intelligence Labs – Financial Analyst Intern

Houston, TX (Remote) | June 2025 – December 2025

- Analyzed monthly revenue, operating expenses, margins, and 10+ financial and operational KPIs; identified performance trends and budget variances for management decision-making.
- Built Excel budgeting, forecasting, and profitability models using historical data to develop forward-looking revenue and expense projections.
- Prepared recurring financial reports and market and competitor analysis across 15+ companies; automated recurring reporting workflows using Python and Excel.

Muhlenberg College Intramural Basketball – Commissioner

Allentown, PA | February 2026 – Present

- Direct full-season operations for a 160+ participant league across 60+ games; manage registration, scheduling, playoff structure, and live-event execution.
- Secured four-figure referee funding by identifying a budget gap, building a cost proposal from historical pay rates, and presenting formal justification to administration.

Haluska Hoops – Founder & Head Trainer

Matawan, NJ | June 2026 – Present

- Founded and operated a basketball training business generating \$8,000+ in revenue across an 18+ client base; generated 175,000+ organic views through social media marketing campaigns and built pricing, scheduling, and session-management workflows utilizing AI to enhance efficiency and accuracy.

PROFESSIONAL PROJECTS

Colin Haluska Investments – Founder & Developer

March 2026 – Present | colinhaluskainvestments.com

- Built a full-stack paper-trading platform with buy/sell orders, portfolio holdings, real-time P&L, a transaction ledger, market-data APIs, and cash-validation logic that mirrors core brokerage workflows.

LEADERSHIP & ACTIVITIES

Alpha Tau Omega – Head of Philanthropy | Muhlenberg College | Spring 2026 – Present

Muhlenberg College Men's Basketball Program – Varsity Athlete | 2023 – 2025

Investment Society – Member Analyst | October 2023 – Present

- Conduct fundamental equity research and financial statement analysis to evaluate investment theses for a student-managed \$1.5M fund
